

Buntings Out of School Club

BREAKFAST * AFTERSCHOOL * SCHOOL HOLIDAYS

We provide high quality wraparound childcare for children aged between 3 and 12. Our aim is to create a caring, fun, warm and secure environment, providing experiences designed to enrich and stimulate those attending. We intend it to be a child centred and inclusive programme which caters to the needs of all children participating. Children will be fully involved, from setting up and choosing equipment to helping with planning and making rules.

Breakfast Club

Session Times: 7:00am until 8:50am £7.50

8:00am until 8:50am £6.50

Our breakfast club operates before school offering a range of food and activities for your child to start their day off on the right foot.

We support the children's choices on the activities we provide before school which may include games, crafts, reading, playground time and general socialising with their friends allowing each child to arrive at school settled and ready to begin their academic day.

After School Club

Session Times: 3:15pm until 6:00pm £8.50

Children are welcomed back to Buntings after their school day is finished and younger children will be collected by our staffing team from their classrooms.

Our dedicated team tailor activities to meet the needs of all the children attending and help to provide a relaxed atmosphere for them to relax in. Cooking, crafts, computers and outdoor sport/games are some of the activities your child may participate in as well as being provided with a quiet area and support when needed to complete homework or participate in quiet reading and games.

A light tea will be provided at 5:00pm which may include some of the children's own handy work!

Holiday Play Schemes £18 PER DAY

Holiday play schemes run for 6 weeks during the summer, two weeks at Easter and each half term. Each play scheme will provide new and exciting experiences for everyone, for part or all of the holidays.

Baking Tuesday

Every Tuesday we welcome the children to participate in cooking savoury and sweet treats. Cakes are our favourite!

ICT Thursday

On Thursdays we have access to the schools computers and get a chance to be creative and lay games.

Come and meet

us...

Please feel free to drop in at anytime to meet the staff and children
