

If you feel:

- Concerned
- Lonely
- Worried
- In need of parenting help or advice
- You'd like to learn more about supporting your child's education
- In need of a friendly listening ear

As a School Family Worker my role is to assist you in finding the support you need and help you get in touch with organisations with specialist skills and knowledge to help you.

My role is not social services and will only get involved if you want me to.

Rib Valley Schools

Based at Edwinstree Middle School in Buntingford, supporting 11 schools in the Rib Valley Partnership, I provide support for any member of the family who has a caring role for a child or young person who attends one of the Rib Valley Schools as listed on the back of this leaflet.

My aim is to:

- Empower families to improve their lives
- Support parents to increase their confidence and self-esteem
- Enhance parenting skills

What I offer?

- Confidentiality
- Listen to any concerns and provide information and support
- Put you in touch with support groups
- Help you get a place on a local parenting programme (dependent on availability)
- Assistance for parents to liaise and engage with school and other agencies
- Support you through the Electronic Common Assessment Framework (e-CAF) and Families First Assessment process
- Workshops

School Family Support Workers work with families who have self-referred and families identified by the partnership as needing additional help. As a qualified Level 3 City & Guilds practitioner in supporting parents in the community my role is to offer schools and families support on:

- Attendance
- Changing School/transition
- Common Assessment Framework/
Families First Assessment
- Disabilities and illness
- Family breakdown
- Housing concerns
- Parenting skills
- Support for families with children with additional needs
- Finances
- Plus any other concerns
