Dear Parents,

School Milk - Spring Term 2021

The charge for milk for Spring Term 2021 is £16.20. If your child wishes to have school milk every day please make payment via School Gateway by **Friday 11th December 2020** so that we can place the order for milk. If we do not receive payment by this date your child will **NOT** be able to have school milk for the rest of the term as we are unable to adjust numbers on an ad hoc basis. If you have difficulty paying by School Gateway please contact the school office. If your child is entitled to benefits-related free school meals and you wish to order milk then please contact the office to place your order as there will be no charge.

We are obliged to inform you that milk is good for your children and that this milk is being provided at reduced prices as a result of European Community subsidy. In the event that your child misses any school due to sickness, Covid-19 or school lockdown, we will be unable to refund any money for milk not taken, so this needs to be taken into consideration when deciding whether to order milk for your child.

Yours sincerely

Mrs McMurrough
