

## Worship group meeting

Date: Autumn 2 December 2022 Present: KW, AM, worship group children from Y1-Y4: EM, AM, BBD, HC, EM

### Discussion Point

The Nativity Service: How can the worship group help? The children suggested that they could write a prayer to read for the Nativity service.

How do we pray? Rev Kirsty discussed what we needed to write a prayer and the purpose of praying with the worship group. TSP (teaspoon) as a way to remember the elements of a good prayer.

t- say thank you (What could we say thank you for at Christmas?)

s- say sorry (What might we say sorry for)

p- please (What might we say please God... for)

The children all gave suggestions about school, home and the wider community for each of these elements and together they created a Christmas prayer for the service. The children were very thoughtful with their responses. Rev Kirsty will type this up and send a copy to Mrs McMurrrough so that the children can practise reading this allowed before the service.

### Action

Children to feedback to their classes about how to pray.

It was agreed that the children would practice in school ready to read out at the nativityt service.

Next meeting TBC in the spring term.
