

Worship group meeting

Date: Autumn 1 October 2022 Present: KW, SW, worship group children from Y1-Y4: EM, AM, MW, LS, AM, RS

Discussion Point

Introductions: Rev Kirsty introduced herself to the children and explained her new role and how she would be supporting Layston and when she would visit the school.

What is worship group? The children explained to Rev Kirsty the purpose of the worship group. They were representatives for each class and that they took the ideas back to share with the children in each class. They would write a prayer, chose hymns and help to lead collective worships once a term.

How can the children contribute to the Harvest Festival service at St Peter's - how can worship group support? The children suggested that they could write a prayer and read this out. They could do the welcome and choose the hymn. Together with Rev Kirsty, the children wrote a harvest prayer using the letters from the word harvest. The children suggested ideas and Kirsty wrote these out with the children.

Action

Children to feedback to their classes.

It was agreed that the children would practice in school ready to read out at the harvest service.

Next meeting TBC.
