

Beyond this lifetime  
Beyond this darkness there's light  
Your cross is shining  
So people open your eyes

**The cross stands above it all  
Burning bright in this life  
The cross towers over it all  
One hope, One deliverer  
Saviour reigning high above it all  
Above it all**

These chains are breaking  
Your love is shaking us free  
A great awakening  
This world will finally see

**The cross stands above it all  
Burning bright in this life  
The cross towers over it all  
One hope, One deliverer  
Saviour reigning high above it all  
Above it all**

Christ has overcome  
It is finished, He has won  
Christ has overcome  
We're standing strong

The cross stands above it all  
We believe the cross stands above it all  
The cross stands above it all  
We believe the cross stands above it all

**The cross stands above it all  
Burning bright in this life  
The cross towers over it all  
One hope, One deliverer  
Saviour reigning high above it all  
Above it all**
