

### Spellings and times tables

Spellings and times tables will be tested every Friday with the new spellings and times tables going out on the same day, along with your child's spelling and times tables score. Please could you return packs sent home marked every Friday.

### Medication

Please ensure that we have in date and named medication in school.

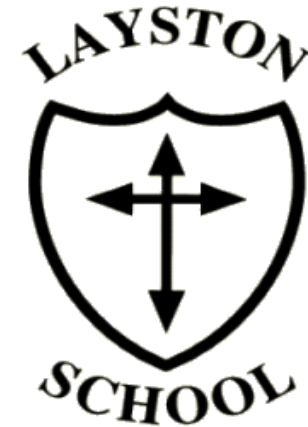

### Lost property

To make sure that jumpers etc are reunited with their owners, please ensure everything is named.

Reading - We are all making great progress with our reading. Please ensure that at least 3 signatures go into your child's reading record each week. Miss Moss hears each child read regularly during Guided Reading sessions and checks reading colours once every half term. Be sure to look out for these in the reading record!

To help children move up levels in the reading scheme quickly, it's really important that you ask questions as they read.

I'm really excited for this term! Please feel free to pop in and see me after school any day (even if that's just to have a nose around the classroom). I look forward to working with you this term,  
Miss B Moss

Year 3  
Summer Term

Hello there!  
I'm really looking forward to the summer term as it gives us the opportunity to take even more of our learning outdoors!

#### King Charles's coronation

This term we will be thinking about the coronation, which will be a huge historical event even for us adults. We have plenty of activities planned to mark this special occasion such as making and decorating cookies and a special picnic.

During this term in Maths, we will be learning about finding the perimeter of shapes along with fractions and time.

In English, we will be learning to write fables as well as explanation texts about how bees make honey.

#### R.E and PSHE

This term in RE we will be studying Buddhism and Sikhism. In PSHE, we will be thinking about how changes can be a bit daunting at first, but they can often lead to bigger and better things. Alongside this, and as a school, we will be thinking more about our Christian values as part of Collective Worship as well as in our day to day lessons.

#### Music

This term, the children will have continued opportunities to strengthen their singing voices (during assemblies) and in **Monday** recorder lessons further develop their knowledge and understanding of rhythm and musical notation with Mrs Watkins. We will also be learning some songs for the Coronation! Some of the children have also been really enjoying their trumpet lessons too.

#### Forest School

Year 3 Forest School days are on alternative **Tuesday mornings**. This means that children can come into school in old / warm clothes ready for the morning. **Named** wellies will be kept in the two boxes outside the classroom. Forest School dates will be emailed out before the beginning of each half term.

#### P.E and Games

Year 3 continue to have PE on Wednesdays and Thursdays. This term we will be focusing on athletic skills in preparation for Sports Day and even furthering our Rounders skills.
