Dear Parents and Carers,

It has been lovely to drop into classes and chat with the children their learning. Y4 children have been busy designing and making night lights. They were so engaged and very keen to tell me all about their designs!

YR have had a special delivery of caterpillars to their classroom. The children have been observing, investigating and learning all about caterpillars.

**Parents of pupils with SEND:**

Please see the SEND section of the school website for the summer term Family Lives programme of parent courses.

A reminder that our new website contains all the information you may need around dates, curriculum and events. If you have a query please check the website or contact the office, head or deputy. This way you know that you have the correct information. Year group summer termly booklets are available on the Class Pages.
