Dear Parent/Guardian,

On the 25th May 2018, the General Data Protection Regulations (GDPR) come into force in the UK. These are new data protection regulations build upon the Data Protection Act of 1998.

The GDPR require public authorities and businesses to identify the lawful basis for storing personal data, audit information we already hold and take a 'data protection by design and default' approach to personal data.

We take data protection very seriously at Layston First School. In line with GDPR requirements, our governors will oversee our approach to data management and protection.

In order to ensure that we comply with the new regulations, we are reviewing our current policies and practices. We have already updated our privacy notices in line with the new requirements. These can be found here: <http://www.layston.herts.sch.uk/statutory-information/gdpr/>

To learn more about the General Data Protection Regulation, please visit the Information Commissioner's Office website on <http://ico.org.uk>

Kind regards,
Layston First School
