

Welcome to the Autumn Term 😊

Kit list and days for this term:

Monday- Music

Tuesday- Forest School

Wednesday and Thursday- PE

Date for your diary:

On the 1st of November we will be going on a trip to Celtic Harmony to experience life in the Stone Age which links to our History topic this term.

Further details and information will be sent out nearer to the time!

Curriculum

In English we are continuing to develop the skills the children have learnt in Year 2; whilst looking to progress our writing further through exploring a variety of texts.

In Maths we are focusing on number and place value. Then moving on to looking at different ways to complete addition, subtraction, multiplication and division problems.

In Science we are studying forces and magnets, which will involve the children doing a lot of practical experiments to develop their knowledge.

In PSHRE we will focus on building relationships with others and how to maintain these.

In History we will be studying the Stone Age to the Iron Age.

In Geography we will be exploring Countries and Continents building on prior knowledge.

Spellings and times tables

Spellings and times tables will be tested every Thursday with the new spellings and times tables going out on a Friday.

Medication

Please ensure that we have in date and named medication in school.

Lost Property

To make sure that all items are reunited with their owners please ensure all belongings are named.

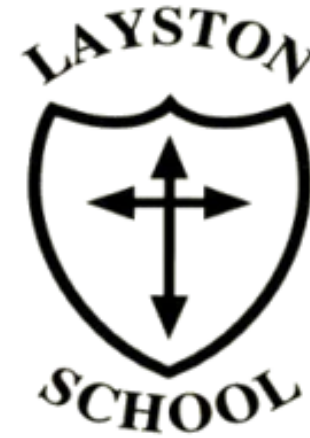

Reading

To ensure progress is made with reading please ensure that at least 3 signatures go into your child's reading record per week. Miss Croucher hears every child read regularly during Guided Reading and checks reading colours one ever half term. Keep an eye out for these in reading records.

To help children improve their reading it is important they are questioned on what they are reading to ensure they are developing their comprehension skills.

I am really looking forward to this term! Please feel free to pop in and speak with me if you have any queries. I look forward to working with you this term.

Miss Croucher 😊

Year 3
Autumn Term

2023-2024
