Dear Parents and Carers,

Happy New Year to you all and welcome back to the spring term 2024. It has been a lovely week at school and a real pleasure dropping into classes and seeing all the children settled with their learning. I have noticed how polite the children are when dealing with others, holding doors open and waiting patiently for them to get to the doors. The use of "please" and "thank you" is second nature. I am super proud of them all, they are a credit to you.
