

(History) Year 1 Homework.

In history, the children have been learning about who they are, discussing changes in their lifetime. This is an optional piece of homework and thought it would be nice for the children to have a discussion with their parents/grandparents about how your lives are different to theirs.

Questions for the children to think about:

What were your parent's/grandparents' childhoods like? How are they different or similar to yours?

It would be nice for the children to identify some ways in which their parents' & grandparents' lives are different to theirs by writing 2 sentences.

WALT: Identify some ways in which my parents' & grandparents' lives were different to mine.
