

Year 2 home learning - 28.3.24

In Science we have been learning about

'All living things and their habitats'

Choose an animal you are interested in and research all about it.

1. What is it like? How would you describe it?
2. Where does it live? What is their habitat like?
3. What does it eat?
4. How does it hunt?
5. How does it move?
6. Add any amazing facts you find out!

Design an A4 or A3 poster all about your animal!
