

Y1 Homework 4

Maths Division: (Make equal groups)

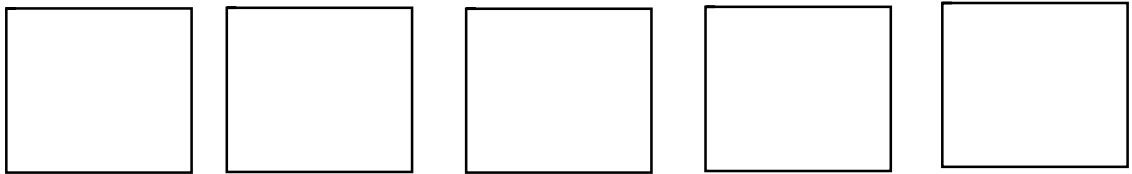

Set: 26.4.24 Due: 17.5.24

In Maths this term, we have been learning about Multiplication and Division. Below are some questions for you to complete looking at making equal groups. If you have any questions please ask. Have fun!

1. There are 10 sheep at the farm. The farmer wants to share the sheep equally between the 2 fields. **How many sheep will go into each field?** Use the boxes to draw your pictures.

2. The next day, the farmer wants to share the 10 sheep equally between 5 fields. **How many sheep will go into each field?** Use the boxes to draw your pictures.

3. Ten eggs fit into each egg box. The hens have laid 30 eggs. **How many boxes will be needed to store the 30 eggs?** Draw pictures to show your answer.

4. Miss Wisdom needs 20 apples for her class. There are 5 apples in each bag. **How many bags of apples does Miss Wisdom need altogether?** Draw pictures to show your answer.

5 apples = 1 bag
