

## Year 3 Home Learning Spring 2

### MATHS

Task- To explore mass and capacity.

Set 28/03/24

Due 18/04/24

Children to explore the following terminology-

**Kilograms**

**Grams**

**Millilitres**

**Litres**

Final outcome- To produce a poster / booklet on Mass and Capacity. The children must include the key words above (in bold) and define them. The children should record different mass and capacities for different items.

(Please include photos if you have access to this)

Example activities-

Measuring out ingredients for a meal / baking.

Measuring liquids before they drink them.

Weighing different objects around the house.
