

Question- How do we know that dinosaurs existed?

Set 24/01/25

Due 14/02/25

Outcome- The children can produce their findings however they wish, this may be: a fact file, a poster, a booklet, a letter, a recorded speech or a PowerPoint presentation.

Activity ideas:

- A walk in search of rocks and fossils
- YouTube videos on rock and fossil formation
- A trip to a museum
- Documentaries about fossils
- Documentaries showing how we know dinosaurs once existed and what they left behind
- Fossil formation research
