more								
morning								
most								
mother								
mouse								

This week, we have focused a lot on handwriting – particularly letters that go under the line, and tall letters. In this week's spellings, there are lots of 'g's, which go under the line, and l,d,h and k and t, which are tall. It would be great if your child can practise this when writing out their spellings to learn them!

Thank you. Mrs Kelly.
