

Welcome to Y3 and the Autumn Term ☺

Kit list and days for this term:

Monday- Music

Tuesday- Forest School

Wednesday and Thursday- PE

Date for your diary:

On the 7th of November, we will be going on a trip to Celtic Harmony to experience life in the Stone Age, which links to our History topic this term.

Further details and information will be sent out nearer to the time! Please let Miss Croucher know if any parents would like to join us on this trip.

Curriculum

In English, we are continuing to develop the skills the children have learnt in Year 2; whilst looking to progress our writing further through exploring a variety of texts.

In Maths, we are focusing on number and place value. Then moving on to looking at different ways to complete addition, subtraction, multiplication and division problems.

In Science, we are studying forces and magnets. This will involve the children doing many practical experiments to develop their knowledge and understanding.

In PSHRE, we will focus on building relationships with others and how to maintain these.

In History, we will be studying the Stone Age to the Iron Age.

In Geography, we will be exploring Countries and Continents building on prior knowledge.

Spellings and times tables

Spellings, frenzies and times tables will be tested every Thursday, with the new spellings, frenzies and times tables going out on a Friday. Homework will be due back in the following week.

Medication

Please ensure that we have in date and named medication in school.

Lost Property

To make sure that all items returned with their owners please ensure all belongings are named.

Reading

To ensure progress is made with reading please ensure that an adult is reading with your child as often as possible. Miss Croucher hears every child read regularly during Guided Reading and checks reading levels one every half term. Keep an eye out for these in reading records.

To help children improve their reading it is important they are questioned on what they are reading to ensure they are developing their comprehension skills.

When you read with your child please note in their reading record how many pages they have read. This will determine how many reading raffle tickets they earn each week.

I am really looking forward to this term! Please feel free to pop in and speak with me if you have any queries. I look forward to working with you this term.

Miss Croucher ☺

Year 3
Autumn Term

2025-2026

**Loving to Learn,
Learning To Love,
For Every Child
A Chance To Shine**
