

A Millions Dreams

I close my eyes and I can see
The world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

} Chorus

There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
Runaway to a world that we design

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

} Chorus

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

} Bridge

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

} Chorus

For the world we're gonna make

Leavers' Song

So now it's time to say 'Goodbye'
To our friends, moving on,
And after many years of being here
We'll be sad, when they're gone.

*This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things to come.*

So keep in mind those special times
That we've shared, here with you
And may the lessons learned through many terms
With your friends, stay with you

*This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things to come.*

So take good care and don't be scared
As you go, out from here.
Because there's so much more in store for you
As you grow, through the years.

This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things,
For all the things,
For all the things to come

Change and Grow

Winter passes into spring,
Seasons come and go,
There's a time for everything,
For everything must change and grow.

Lessons learnt along the way,
Things we've come to know,
We take with us each new day,
For everything must change and grow.

*There are places we've loved and those we've left,
There are days we **remember well**.
There are faces we know we shan't forget,
But this day we move forward,
This day we move forward.*

Who knows what tomorrow brings,
Where the winds will blow?
There will be new songs to sing,
For everything must change and grow.

Through the laughter, through the tears,
In life's ebb and flow,
Seize the moments and the years,
For everything must change and grow.

*There are places we've loved and those we've left,
There are days we **remember well**.
There are faces we know we shan't forget,
But this day we move forward,
This day we move forward.*

Winter passes into spring,
Seasons come and go,
There's a time for everything,
For everything must change and grow.

*There are places we've loved and those we've left,
There are days we **remember well**.
There are faces we know we shan't forget,
But this day we move forward,
This day we move forward,
This day we move forward.*
