Dear Parents and Carers,

Celebrating Spirituality:

Snowdrops have appeared in the forest, spring is coming, and this definitely cheered everyone up!

Celebrating Teaching and Learning:

This week Rachel Brown, our Maths Advisor, visited Layston. Rachel was impressed by how well the children engaged with their maths learning. She noted that the learning intention was clear and maths vocabulary was displayed and being used to support the children. The children also had access to manipulatives to support their learning. Jennie Ferguson visited EYFS again to work with Mrs Berry and the team. She commented on how well the EYFS team know the children and how they continue to build strong relationships with the children.

Mrs Stamp popped in to see us all at Layston earlier in the week, which was a lovely surprise. She looked really well and is continuing to recover well. We hope that she will be well enough to return to school by the end of term.

I have spoken with Mrs Downs who is feeling much better and she will be returning to Y1 after half term. We look forward to welcoming them back to the team as soon as they are fit and ready.

Celebrating Enrichment:

We have welcomed our new sports coach, Laura Mills, from RTYFC to Layston this term. The children have enjoyed learning new skills such as balancing and stretching and taking part in team games such as Hockey. Laura will also be leading our after school enrichment clubs and will be talking to the children about these over the coming weeks.
