

**(History) Year 1 (Set 24.4.26) (Due 15.5.26)**

Homework 4

In history, the children have been learning about who they are, discussing changes in their lifetime. It would be nice for the children to have a discussion with their parents/grandparents about how their lives are different to theirs linking to the Y1 curriculum.

**Questions for the children to think about:**

What were your parent's/grandparents' childhoods like? How are they different or similar to yours?

It would be nice for the children to identify some ways in which their parents' & grandparents' lives are different to theirs.

---

WALT: Identify ways in which my parents' & grandparents' lives were different to mine.
